This week's habit

Synergize

I value other people's strengths and learn from them. I get along well with others, even people who are different than me. I work well in groups. I seek out other people's ideas to solve problems because I know that by teaming with others we can create better solutions. I am humble.

Reading Standards

We will demonstrate understanding of spoken words, syllables, and sounds (phonemes).
We will also be able to make predictions and retell a familiar story.

Writing Standards

We will use a combination of drawing, dictating, and writing to compose how pictures and words tell a story.

Math Standards

We will understand the relationship between numbers and quantities.

Name:	Kindergarten homework for the week of October 10-14
-------	---

Daily Reading expectations

Place your initials on the bookmark for every 15 minutes of reading. Do not forget to write the titles on the back. When the bookmark is complete, be sure to sign it. If you have any questions, please contact your child's teacher.

Most kindergarten students can not read the words in a book yet. This is why we encourage students to read the pictures. Reading the pictures is one of three foundational skills before students can read to self. Your child can look at the pictures and explain characters, setting, events, and make predictions.
