Kindergarten homework for the week of September 26-30

Daily Reading expectations

Place your initials on the bookmark for every 15 minutes of reading. Do not forget to write the titles on the back. When the bookmark is complete, be sure to sign it. If you have any questions, please contact your child's teacher.

Most kindergarten students can not read the words in a book yet. This is why we encourage students to read the pictures. Reading the pictures is one of three foundational skills before students can read to self. Your child can look at the pictures and explain characters, setting, events, and make predictions.
